

September 2018

Dear Member:

Thank you for your membership in Partnership.

We are providing important information about the Medicare and Medicaid health care, long-term care services and prescription drug coverage we will offer next year. Please review this information to help you decide what coverage to choose for 2019.

Here are three documents with important information for you.

1. Please start by reading the **Annual Notice of Changes for 2019**. It gives you a summary of changes to your Medicare and Medicaid benefits for next year. These changes will take effect on January 1, 2019.
 - **Please review this notice within a few days of receiving it** to see how the changes might affect you.
 - **If you decide to stay with Partnership (HMO SNP) for 2019** – you do not have to tell us or fill out any paperwork. You will automatically stay enrolled as a member of Partnership.
 - **If you decide to leave Partnership**, you can switch to a different Medicare health plan or to Original Medicare between now and December 31. The Annual Notice of Changes tells you more about how to do this. To learn more about your health plan options, you can visit www.medicare.gov or call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
2. We're including a notice of how to find Partnership's **Evidence of Coverage** for 2019. It explains how to get coverage for the health care services and prescription drugs you need for 2019 if you stay enrolled as a member of Partnership.
3. We're also including a notice of how to find the Partnership plan's **List of Covered Drugs (Formulary)**, effective January 1, 2019. The Drug List tells you what Part D prescription drugs are covered by the plan. It also lets you know if there are any rules that restrict coverage for a drug.
