

## **Care Wisconsin Partnership (HMO SNP) offered by Care Wisconsin Health Plan, Inc.**

# **Annual Notice of Changes for 2019**

You are currently enrolled as a member of Care Wisconsin Partnership. Next year, there will be some changes to the plan's costs and benefits. *This booklet tells about the changes.*

---

### **What to do now**

#### **1. ASK: Which changes apply to you**

- Check the changes to our benefits and costs to see if they affect you.
  - It's important to review your coverage now to make sure it will meet your needs next year.
  - Do the changes affect the services you use?
  - Look in Sections 2.1 and 2.4 for information about benefit and cost changes for our plan.
  
- Check the changes in the booklet to our prescription drug coverage to see if they affect you.
  - Will your drugs be covered?
  - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
  - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
  - Review the 2019 Drug List and look in Section 2.5 for information about changes to our drug coverage.
  - Your drug costs may have risen since last year. Talk to your doctor about lower cost alternatives that may be available for you; this may save you in annual out-of-pocket costs throughout the year. To get additional information on drug prices visit <https://go.medicare.gov/drugprices>. These dashboards highlight which manufacturers have been increasing their prices and also show other year-to-year drug price information. Keep in mind that your plan benefits will determine exactly how much your own drug costs may change.

Check to see if your doctors and other providers will be in our network next year.

- Are your doctors in our network?
- What about the hospitals or other providers you use?
- Look in Section 2.2 for information about our Provider Directory.

Think about your overall health care costs.

- How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
- How much will you spend on your premium and deductibles?
- How do your total plan costs compare to other Medicare coverage options?

Think about whether you are happy with our plan.

## **2. COMPARE:** Learn about other plan choices

Check coverage and costs of plans in your area.

- Use the personalized search feature on the Medicare Plan Finder at <https://www.medicare.gov> website. Click “Find health & drug plans.”
- Review the list in the back of your Medicare & You handbook.
- Look in Section 4.2 to learn more about your choices.

Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan’s website.

## **3. CHOOSE:** Decide whether you want to change your plan

- If you want to keep Care Wisconsin Partnership, you don’t need to do anything. You will stay in Care Wisconsin Partnership.
- If you want to change to a different plan that may better meet your needs, you can switch plans between now and December 31. Look in Section 5, page 13 to learn more about your choices.

**4. ENROLL:** To change plans, join a plan between **now** and **December 31, 2018**

- If you **don't join another plan by December 31, 2018**, you will stay in Care Wisconsin Partnership.
- If you join another plan by December 31, 2018, your new coverage will start on the first day of the following month.
- Starting in 2019, there are new limits on how often you can change plans. Look in section 5, page 13 to learn more.

Note: If you are eligible to change plans, because you are in the Care Wisconsin Partnership program you must also contact your local ADRC. The ADRC contact information can be found in Chapter 2, Section 10 of your Evidence of Coverage booklet.

## **SECTION 1 Unless You Choose Another Plan, You Will Be Automatically Enrolled in Care Wisconsin Partnership in 2019**

**If you do nothing to change your Medicare coverage in 2018, we will automatically enroll you in our Care Wisconsin Partnership program.** This means starting January 1, 2019, you will continue getting your medical and prescription drug coverage through Care Wisconsin Partnership. If you want to, you can change to a different Medicare health plan. You can also switch to Original Medicare and get your prescription drug coverage through a Prescription Drug Plan. If you want to change, you can do so between now and December 31. The change will take effect on January 1, 2019. Starting in 2019, there are new limits on how often you can change plans. For more information, see Chapter 9, Section 2.1 of the *Evidence of Coverage*.

The information in this document tells you about the differences between your current benefits in Care Wisconsin Partnership and the benefits you will have on January 1, 2019, as a member of Care Wisconsin Partnership.

## **SECTION 2 Changes to Medicare Benefits and Costs for Next Year**

### **Section 2.1 – Changes to the Monthly Premium**

<b>Cost</b>	<b>2018 (this year)</b>	<b>2019 (next year)</b>
<b>Monthly premium</b> (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)	\$0	\$0

### **Section 2.2 – Changes to the Provider Network**

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at [www.carewisc.org](http://www.carewisc.org). You may also call Customer Service for updated provider information or to ask us to mail you a Provider Directory. **Please review the 2019**

---

**Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan, but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

---

**Section 2.3 – Changes to the Pharmacy Network**

---

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated Pharmacy Directory is located on our website at [www.carewisc.org](http://www.carewisc.org). You may also call Customer Service for updated provider information or to ask us to mail you a Pharmacy Directory. **Please review the 2019 Pharmacy Directory to see which pharmacies are in our network.**

---

## Section 2.4 – There are no changes to your benefits or amounts you pay for medical services

---

Please note that the *Annual Notice of Changes* only tells you about changes to your Medicare benefits and costs.

Our benefits and what you pay for these covered medical services will be exactly the same in 2019 as they are in 2018.

---

## Section 2.5 – Changes to Part D Prescription Drug Coverage

---

### Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically. We have sent you a notice explaining how to find the Drug List on our website or how to request a copy of the Drug List.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

**Work with your doctor (or other prescriber) and ask the plan to make an exception to cover the drug.** To learn what you must do to ask for an exception, see Chapter 8 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Customer Service.

**Work with your doctor (or prescriber) to find a different drug** that we cover. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. For 2019, members in long term care (LTC) facilities will now receive a temporary supply that is the same amount of temporary days supply provided in all other cases: 31 days’ supply of medication rather than the amount provided in 2018 (91-98 days’ supply of medication). (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5,

Section 5.2 of the *Evidence of Coverage*.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

Most formulary exceptions expire at the end of the calendar year, unless otherwise noted on the approval letter you received. If you received a formulary exception in 2018, check your approval letter to see when you will need to request a new exception.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

Starting in 2019, we may immediately remove a brand name drug on our Drug List if, at the same time, we replace it with a new generic drug with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand name drug on our Drug List, but immediately add new restrictions. This means if you are taking the brand name drug that is being replaced by the new generic (or restriction on the brand name drug changes), you will no longer always get notice of the change 60 days before we make it or get a 60-day refill of your brand name drug at a network pharmacy. If you are taking the brand name drug, you will still get information on the specific change we made, but it may arrive after the change is made.

Also, starting in 2019, before we make other changes during the year to our Drug List that require us to provide you with advance notice if you are taking a drug, we will provide you with notice 30, rather than 60, days before we make the change. Or we will give you a 31-day, rather than a 60-day, refill of your brand name drug at a network pharmacy.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about the changes we may make to the Drug List, see Chapter 5, Section 6 of the *Evidence of Coverage*.)

### Changes to Prescription Drug Costs

*Note:* If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs does not apply to you.** We have included a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and didn’t receive this insert with

this packet, please call Customer Service and ask for the “LIS Rider.” Phone numbers for Customer Service are in Section 8.1 of this booklet.

### **SECTION 3      Changes to your Medicaid Benefits**

There will be no changes to your Medicaid benefit in 2019. Please refer to Chapter 4, Section 2.1 of your Evidence of Coverage and/or the Summary of Benefits for a list of your covered Medicaid benefits.

### **SECTION 4      Deciding Which Plan to Choose**

#### **Section 4.1 – If you want to stay in Care Wisconsin Partnership**

**To stay in our plan, you don’t need to do anything.** If you do not sign up for a different plan or change to Original Medicare, you will automatically stay enrolled as a member of our plan for 2019.

#### **Section 4.2 – If you want to change plans**

We hope to keep you as a member next year but if you want to change for 2019 follow these steps:

##### **Step 1: Learn about and compare your choices**

You can join a different Medicare health plan,

- -- *OR*-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

Your new coverage will begin on the first day of the following month.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2019*, call your State Health Insurance Assistance Program (see Section 6), or call Medicare (see Section 8.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <https://www.medicare.gov> and click “Find health & drug plans.” **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, Care Wisconsin Health Plan offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

## Step 2: Change your coverage

To change **to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Care Wisconsin Partnership.

To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Care Wisconsin Partnership.

To **change to Original Medicare without a prescription drug plan**, you must either:

Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are in Section 8.1 of this booklet).

– *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

**If you are changing plans, you must also contact your local Aging and Disability Resource Center (ADRC). Please see Chapter 2, Section 10 in the *Evidence of Coverage* for the telephone numbers of the ADRCs. You can also use the following link to find an ADRC in your area:**

**<https://www.dhs.wisconsin.gov/adrc/consumer/index.htm>**

## SECTION 5 Changing Plans

If you want to change to a different plan or Original Medicare for next year, you can do it from now until December 31. The change will take effect on January 1, 2019.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a

change at other times of the year. Starting in 2019, there are new limits on how often you can change plans. For more information, see Chapter 9, Section 2.1 of the *Evidence of Coverage*.

Note: Effective January 1, 2019, if you're in a drug management program, you may not be able to change plans.

If you enrolled in a Medicare Advantage plan for January 1, 2019, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2019. For more information, see Chapter 9, Section 2.1 of the *Evidence of Coverage*.

## **SECTION 6      Programs That Offer Free Counseling about Medicare and Medicaid**

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Wisconsin, the SHIP is called the Wisconsin State Health Insurance Assistance Program.

The Wisconsin State Health Insurance Assistance Program is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Wisconsin State Health Insurance Assistance Program counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call the Wisconsin State Health Insurance Assistance Program at 1-800-242-1060. You can learn more about the Wisconsin State Health Insurance Assistance Program by visiting their website

<https://www.dhs.wisconsin.gov/benefit-specialists/medicare-counseling.htm>

For questions about your Wisconsin Medicaid benefits, contact Wisconsin Department of Health Services (DHS), 1-800-362-3002, TTY call 711, and Monday –Friday from 8:00 am to 6:00 pm. You can also contact your local Aging and Disability Resource Center (ADRC). See the Evidence of Coverage Chapter 2, Section 10 for contact information. To ask how joining another plan or returning to Original Medicare affects you, call 1-800-Medicare.

## SECTION 7 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** Because you have Medicaid, you are already enrolled in ‘Extra Help,’ also called the Low Income Subsidy. Extra Help pays some of your prescription drug premiums, annual deductibles and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about Extra Help, call:

1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;

The Social Security Office at 1-800-772-1213 between 7 am and 7 pm, Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or

Your State Medicaid Office (applications).
